

# TEC

## Tribal Issues Topic Group

Judith Holm, Chair

April 21, 2004

Albuquerque, NM

**Approximately 40 Tribes along routes**

# Tribal Issues Topic Group

- Future of Tribal Issues Topic Group
  - Members asked to give some thought to possible study/issue areas
  - More Tribal participation needed
  - Tribal members of topic group find it a useful tool and one of a kind
  - Opportunity for networking, sharing information
  - Good idea to continue to meet before main TEC
